Use 'B' Light/Color #3 combination to make two half square triangles. Use 'B' Color #2/Color #3 combination to make two HST's. Do the same for the six inch blocks, but make four HST's of each color combination.

To make HST's, lay one light square on top of one dark square. Draw a faint line diagonally. Sew 1/4" on both sides of the line. Cut on drawn line. Press to the dark.

Trim twelve inch block HST's to 3 1/2 inches. Trim six inch block HST's to 2 inches.

Lay out according to picture and sew into rows, then rows together.
